

## Removable Risers: (can be removed for an additional fee)

To add an additional 8 feet of stage space the wooden risers can be removed. The distance from the back of the rock wall to the front of the risers measures approximately 8 feet.

The distance from the front of the stage to the front of the risers measures approximately 25 feet

## Stage Detail Diagram

## **Stage Extensions:**

27 Foot Wide – 9 FT 6' Deep – Adds to the curve and makes a straight front Built in 6 sections. Stage would measure 73' by 33' (can be installed for an additional fee)

## **DIFFERENT STAGE SIZES**

Risers in and no stage extensions  $-25' \times 73'$ Risers in and stage extensions in  $-31',25',31' \times 73'$ Risers out and stage extensions in  $-31',33',31' \times 73'$ Risers out and no stage extensions  $-33' \times 73'$  (largest)
